Whom to Call

Between federal, state, city, and county offices, sometimes it is difficult to know whom to call regarding a particular issue.

For example, growth management issues are handled by the King County Council and city councils, while an issue like highway construction may involve local, state, and federal government offices.

If you have a question about whom to call, I encourage you to contact my office so we can try to point you in the right direction.

Voter Registration

To register to vote, you must be:

- A citizen of the United States
- A legal resident of Washington State
- At least 18 years old by election day

You may register to vote at any time, but you must be registered at least 30 days in advance of an election if you wish to vote at a polling place on election day. You may also register between 30 and 15 days before an election, but you must do so at a location designated by the county elections officer, and you will be required to vote by absentee ballot.

How to register: Mail-in registration forms are available from your county auditor or county elections department as well as many public libraries, schools and other government offices. "Motor Voter" registration is offered when you renew or apply for your driver's license.

Absentee ballots: You may request an absentee ballot as early as 45 days before an election. (No absentee ballots are issued on election day except to hospitalized voters.) Absentee ballots may be requested either by phone or by mail from the county elections officer. You may also apply in writing to automatically receive an absentee ballot before each election.

NOTE: Absentee ballots must be signed and postmarked or delivered to the county election officer on or before election day.

2003 Government Guide

Washington's Capitol building and its surrounding campus make Olympia one of the nation's most beautiful state capitals. However, the February 2001 earthquake caused substantial damage to the 75-year old Legislative Building, and a \$91 million rehabilitation project began June 2002.

The size of the project requires the building to be vacated for over two years. Work will be done on the building's infrastructure and security systems. The completion date is set for November of 2004. No general fund taxpayer money will be used for the project.

Public tours are held daily from 10 a.m.- 3 p.m. on the hour (registration not required). Larger groups or schools should call (360) 586-8687.

Government Guide

Hello Friends and Neighbors,

I'd like to provide you with this extremely useful resource. The *2003 Government Guide* includes addresses, phone numbers, and email addresses of city, county, state, and federal government offices.

It explains how to keep up on government affairs by listening in on deliberations at the legislature from your home computer. The guide also lists important numbers for seniors.

I hope this resource helps you stay in touch with your neighborhood, community, state, and country. It's been a great honor to represent you in the Senate. I welcome your comments and questions so that we can make our part of King County an even better place to live.
